Stata Course Evaluation Form

Course: PUBP 804 Multivariate Statistical Analysis (Prof.John Earle)
Term: Spring 2024
Stata Instructor: Sungbin Park

No.	Class Preparation	Effectiveness	Class Interaction	Knowledge	General	Comments and Suggestions
1	5	5	5	5	5	Very good! Welcomes questions, takes the time to make sure we understand, and pre-emptively explains difficult concepts a few different ways. 10/10.
2	5	4	5	5	5	Explain the data + equation more throughly before going to the code.
3	5	5	5	5	5	Very friendly and engaging in teaching! I really appreciate the instructor's patience and skillful teaching when I'm stuck and not understanding something.
4						
Average	5	4.7	5	5	5.0	**4.93**
