Stata Course Evaluation Form

Course: POGO 511 Introductory Data Analysis for Policy and Government
Term: Fall 2025
Instructor: Sungbin Park

No.	Class Preparation	Effectiveness	Class Interaction	Knowledge	General	Comments and Suggestions
1	5	4	4	5	5	STATA concepts sometimes really benefitial from grounding it in the concepts first. At times, instruction was too fast to follow if we are applying in real time, but the application was helpful.
2	5	5	5	5	5	Whatever questions I asked, she always brought with answers.
3	5	4	4	5	4	Instructor occasionally seemed to get lost in her remarks. Could benefit from additional practice as a lecturor.
4	5	4	5	5	5	Providing the STATA files was very helpful to follow along in class.
Average	5	4.25	4.5	5	4.75	**4.7**
